Ok looks good thanks. I offered an alternative to an awkward sentence in the last section, but otherwise looks good to go! Shoot me a clean version when you're able, thanks.

My edits attached, thanks. Most of them are for style or clarity, but a couple relate to data (SJ County pop is not 5% of Utah, if the numbers are correct). If Shawn doesn't have more edits, than this can be made final and I'll send to Randy. Thanks guys, this will be very helpful going forward, in my view.

Hi Joel,

We received edits/comments from the DOI bureaus and the FS on the BENM paper and made revisions to accommodate. The revised version is attached. We also drafted a one page summary which is also attached.
